Passengers' Open Forum

Wednesday, 25 February 2009, Devizes, 7pm for 7.30 pm start

We would like to invite you to our next Passengers' Open Forum at the Town Hall in Devizes. The focus for this year's forum is "Growing Public Transport" and will take the form of small discussion groups to cover the following themes:

- . Evening and week-end services
- . Access to rail heads
- . From village to market towns
- . Tempting car users onto public transport
- . Commuting to main centres
- . Access to health facilities
- . Devizes town services

Each group will agree the main questions to put to a panel of transport specialists: operators, local authority and other professionals.

Transport is the life blood of our rural towns and villages but pundits are forecasting a very uncertain future for rural public transport unless it is well targeted and tailored to a modern lifestyle appealing to everyone.

This is a challenge but the forum is your chance to make a difference. Each forum has spawned new initiatives such as improvements to the Devizes town network and the Rail Link to Pewsey launched just over a year ago.

Space is limited so booking is advisable. A form is attached as well as a flier to pass on to a friend or colleague. If you have a query please don't hesitate to ring our message line **01380 860183**. We hope to see you there!

Yours sincerely

Susan Hiscock
Event Coordinator
